Disclaimer: All quotes are valid for 30 days. All materials quoted are subject to availability. This estimated price is subject to change at any time. All prices include material, tax and freight unless otherwise specified. All delivery charges are subject to 25-ton minimum. Materials can be quoted on a per ton basis, per cubic yard basis and/or per load basis. Once customer orders materials, and material are loaded into the truck at the plant, the customer owns the material and is responsible for the payment; FOB Shipping Point. If material is returned and not accepted by customer there will be a restocking charge equal to the delivery charge. If truck is held up by buyer beyond 20 minutes, the buyer may be subject to \$2.50 per minute as standby charge. There is a Fuel/Environmental Surcharge per each load delivered as shown above. All invoices are due 30 days after delivery. Interest of 1.5% per month will be applied on past due accounts. Buyer is responsible for all collection costs and attorney fees for past due accounts. Upon acceptance of this quote, buyer must sign this quotes, complete our credit application and personal guaranty form, and provide preliminary lien notice information prior to the commencement of delivery of above materials quotes.
